height group - FIREFIGHTER SUITS - MEN - JACKET and TROUSERS					EN 13402-3:2017		
height (cm)	167 - 173		173 - 179		179 - 185	185 - 191	191 - 197
height group	170		176		182	188	194

- Please indicate the sizes **separately** for the **jacket** and the **trousers** in following format: **size number / height group** according to the sizes table + name and man/woman. Measure exactly in the defined parts of the body according to the picture. Choose your size separately for the jacket and for the trousers always according to the **primary** size. If the **secondary** size does not correspond to your primary dimension please select a compromise size or contact your GoodPRO distributor for advice.

For example: **J 52/182 + T 52/182 – David Smith/man**

- If you do not clearly indicate „man or woman“ – **we supply a men's size.**
- Incorrectly selected sizes will not be accepted as a complaint.**
